Sketch of Life of H. W. McDermott.

Hugh W. McDermott answered to his final call Friday, December 27th, 1907. Burial at Mt. Sterling Sunday, Dec. 29th, 1907.

He was born in Richmond, Va., Nov. 4th, 1819. When about 16 years of age he went to Nicholas County, W. Va., near Summersville, where he spent most of his younger life. He was a very prosperous stock trader and slave owner; also was Sheriff of Nicholas county two terms and was serving his last term when the civil war broke out and on account of his strong sympathy with the Rebellion he left Nicholas county and came to Kentucky, settling at Liberty, Morgan county. At this place he engaged in the coal and stove business, marketing same at Cincinnati and intermediate points along Licking river. He moved to Farmers, Ky., about the time the railroad was built to that place where he engaged in the hotel business. From there he drifted to Salt Lick and about 22 years ago he settled at Olympia.

He was twice married. His first wife was a Miss Lemaster, of Nicholas county, W. Va. Five children were born to this union—2 now living—a crippled son, Addison, and a daughter, Mrs. Ann E. Raider, of Nicholas County, W. Va. His last wife was Miss Rebecca Ann Campbell, also of Nicholas County, W. Va. Nine children were born to this union—3 now living—Mrs. Newton Johnson, of Grange City, Ky., Mrs. Jas. Horton, of Mt. Sterling, Ky., and Mrs. H. O. Irwin, Olympia, Ky.

His last wife died at Olympia, Ky., Dec. 1, 1894. Since that time he has been making his home with his youngest daughter, Mrs. H. O. Irwin.

Uncle Mac or Grandpa, as everybody called him, was always ready with a smile and joke to meet his many friends and at all times ready to lend a helping hand in sickness or in distress.

In the early part of his sickness he confessed his faith in his Saviour and died happy in the thought.

In his old days he was not contented to sit around and do nothing. It was his delight to assist in household duties, garden work, etc.

His many friends extend their deepest sympathy to the bereaved family in this, the hour of their affliction.

Night-Riders.

Night or day riders can ride on the top wave of prosperity. If you will jump into the band wagon and keep close to us we will show you how to "get there." Whole years of opportunities may have passed. Don't let another go by before you buy a choice lot or house and lot of H. Clay McKee & Sons Co.

Letter from Congressman.

We have the following from Congressman Edwards of the 11th District:

Mr. B. W. Trimble,

Mt. Sterling, Kentucky.

My dear sir:—I appreciate, very much, your nice letter of the 2nd instant in regard to the Bill I have pending to aid states in prohibiting the sale of liquors.

I expect to use every proper effort to secure the passage of this Bill and Mr. Langley will gladly assist me in the matter.

Again thanking you for the interest manifested, I beg to remain,

Very truly yours,

D. C. Edwards.

To Hold Fair.

The Elks at Winchester appointed a committee to arrange for holding a fair this year. The owner of the old fair grounds proposes to put them in order and make all necessary improvements. It is also the intention to extend the Main street car line to the grounds.

Excellent line of Suits and Overcoats going at one-third off until January 25. Walsh Bros.

CUT-PRICE TIME GRAVES, COX & CO.

Of course you've been waiting for it. And of course we've been preparing for it. While we've sold "a world of goods" thus far this season, we've still got MORE THAN WE WANT left, to go now at CUT PRICES. Orders for regular stocks, and also for holiday specials--placed in anticipation of unusually large business--gave us unusually large stocks. NOW we'll have to make unusually LARGE PRICE SACRIFICES to put us in normal condition for spring. Of course OUR LOSS is YOUR GAIN; and the QUICKER we both take what's coming to us the BETTER. So come on now, sir, for your OVERCOAT or SUIT. And remember that WHATEVER HAPPENS YOU CAN ALWAYS GET THE MOST FOR YOUR MONEY in these things from us.

Rosenberry was out on bond and did not serve any of the time in jail.

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorant and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent of catarrhs of these organs. It also cures the nasal passages, the throat, larynx, bronchitis, stomach, etc. It cures dyspepsia, bowels (as mentioned above), bladder, uterus or other pelvic organs. Even in cases of chronic rheumatism, it has been found to be a most successful in affecting the system.

"Favorite Prescription" is a tonic for the blood and the system. It is a powerful yet truly healing, invigorating tonic and nerve. For work worn-out, overworked women in motherhood has caused the breakdown, "Favorite Prescription" will be found most effective in building up the strength, regulating the woman's functions, subduing pain and bringing women to their vigorous condition of the whole system.

A look of particular interest each bottle giving the formulae of each medicine, and showing what scores of eminent medical authors, whose works are consulted by physicians of all the world, and practice as guides in prescribing, say of each ingredient, entering into these medicines.

The works of praise bestowed on the general introduction of Dr. Pierce's medicines by such writers should not be overlooked, as they are a most professional testimony, because such men are writing for the guidance of their medical brethren, and know whereof they speak.

Both medicines are non-alcoholic, non-mercuric, and contain no harmful habits forming drugs, being composed of genuine extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to be without a bottle of each of these medicines of such composition, and good results.

Dr. Pierce's Little-Child, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver, bowels.

Slow to Take Office.

A \$2400 job under the new administration has been twice refused.

Stanley Milward, of Lexington, Friday notified Auditor James that he declined to accept the position of Fire Marshal, tendered him, when the declaration of C. M. Barnett was received by the Auditor.

Friends of Mr. Milward say, that he has in view a position, which will prove much more congenial and not necessitate that he give all of his time to his duties.

It was said that soon after Mr. Milward was turned down by Auditor James for the appointment in favor of Mr. Barnett, Governor Wilson promised him a position on the Board of Control next year, when the term of Dr. Board expires.

On Saturday Auditor James tendered the appointment to W. F. Niekirk, of Washington county, and it was accepted.

Equity Society Denies Responsibility for Lawlessness.

The Committee on Resolutions of the State Union of the American Society of Equity, in session at Henderson, Ky., on Friday, reported through its chairman, W. E. Bourland. The resolutions are in part as follows: That this body memorialize Congress to enact such laws as will curb the trust.

Congratulating the stunning district for the loyalty of the members of the A. S. of E. with the business and professional men and worthy of emulation by other counties in this State, and that this spirit of harmony does more to maintain law and order than all the soldiers and Gatling guns in the Commonwealth.

All violations of law, "whether it be trust magnate or night rider," are condemned without reservation. The peaceful men who go unarmed in day time are commended, and "we declare that all charges, whether made by the Chief Executive of Kentucky or the subsidized press, that the A. S. of E. is chargeable or responsible for any lawlessness in Kentucky, are without foundation."

Secretary Robertson's annual report showed a balance on hand of \$164.24, with all debts paid. Receipts from State and national dues were \$17,650.73. There are now 741 active locals in the State with 18,601 members. Five thousand six hundred and one of the members were added during the past fiscal year. Seventy-five counties have been thoroughly organized and have five county unions.

Great Success.

F. P. Clay, Jr., Paris, Ky., says: "I have had great success with Bourbon Poultry Cure. On several occasions have cured chickens that were too sick to walk or stand up. Have lost but one old chicken since."

Sold and guaranteed by W. S. Lloyd.

A 13 story FIRE PROOF store burned in New York Friday night, loss said to be \$5,000,000. Three firemen perished. Five firemen caught on the roof were rescued by a rope shot to them from a mortar. This rope they tied to a chimney and they escaped.

ONE-THIRD OFF ONE-THIRD OFF

Farmers in the Southwest are getting rich on the increasing value of their farms.

Not so very many years ago Illinois and Iowa land sold for ten dollars an acre. More recently Nebraska lands sold at that price. Look at them now. What makes them so high? The land is no better than it was then. What caused the price to go up? People—nothing but people, and lots of them. History will repeat itself in the Southwest—only it will not take so long. The Southwest is growing very fast; much faster than any other section of the United States. The land in the Southwest is just as good as Illinois, Iowa or Nebraska land. But there is more land than there are people, that's the only reason it's so cheap. How long do you think it will take the Southwest to get as many people to the farm acre as Illinois or Iowa have? Just about five years—ten at the very outside. When that time comes you will have to pay just as much for land in the Southwest as you would pay in Illinois or Iowa.

Why not buy your farm in the Southwest now—when you can get it cheap—cheap enough for you to get a big one? A few years hence you will be looked upon just as the man who owns 640 acres in Illinois is looked upon to-day—as a substantial, well-to-do, leading member of your community.

The low rate of interest via the Rock Island-Price Lines the first and third Tuesdays of each month, offer you an opportunity to see the Southwest at a very little cost. Take this opportunity to see the Southwest for a few days, and enjoy the delightful weather the Southwest farmer is having.

Let me send you some interesting literature about the Southwest to read these few months. For Jan. 15, about Missouri, Kansas, Arkansas and Oklahoma are for Jan. 22, about Texas, New Mexico, Arizona and California. I will send you absolutely free any of these books you wish. The Rock Island-Price Lines have no lands for sale and are only interested in getting good, energetic settlers for the fertile unoccupied lands along their lines. Write today and let us help you find a better location.

RELEASED FROM PRISON.

Re-arrested on Three Warrants.

Jno. Fay, of this city, who was sentenced to penitentiary and served a 3 year term, less 1 time for good behavior, was released and came back on Sunday at 12:25. As he stepped from the train he was arrested by deputy sheriff Richardson on three charges—setting up crap table, gaming and shooting with intent to kill—old charges held against him. He was placed in jail. The bail in these cases was fixed at \$1,000; \$500; \$100. Unless he gives bond he will be confined until Circuit Court, which meets next week. The shooting referred to was that of Lieut. Fasset.

Arm Off.

Independents Won't Buy Pledged Tobacco.

At Hopkinsville, Ky., on Jan. 10, three independent buying houses of Hopkinsville, the Imperial Tobacco Company, the American Snuff Company and the Tandy & Furlough Tobacco Company, representatives of the Italian Regie, signed an agreement not to buy any tobacco pledged to the Dark Tobacco Association or the American Society of Equity, and not to receive same if it should be unknowingly purchased. This is to contradict the current reports that their buyers are trying to induce farmers in the pools to violate their pledges. The agreement was brought about by Mayor Meacham, in an effort to establish a better feeling between the tobacco buyers and the association.

Progressive Granges.

At their annual meetings last month State Granges of New Jersey, Indiana, Delaware, Pennsylvania and Michigan passed woman suffrage resolutions. The Ohio Grange, already on record as favoring full suffrage for women, adopted its discussion endorsing woman suffrage in local option elections. California, Illinois, Kentucky, Maine, Maryland, Minnesota, New York, Oregon and Washington Granges are others which have declared for equal suffrage, while the National Grange not only endorses it but recommends its discussion in subordinate organizations.

In August, 1895, a young man, Horace Reynolds, was killed in this county. Jno. Hawkins was suspected. Fencing violence he left the county. On last Friday he was brought to this city by J. L. The work of retitting and preparing the iron furnaces of the Virginia Iron, Coal and Coke Company at Middleboro is to be pushed with all possible haste. DEATHS.

REID.—Rev. Clarence Reid, of Oakland, Cal., arrived on Thursday with the remains of his wife, Mrs. Blanche Miller Reid, who died Dec. 31, 1907. The funeral service was held at the residence of Mr. Albert Hoffman at 2 o'clock by Rev. E. L. Southgate and the burial was in Maplelawn.

RATLIFF.—On Friday a message was received from New Orleans saying that Charles B. Ratliff, formerly of this city, had taken his own life. A letter addressed to N. R. Ratliff, Winchester, Ky., was found in his pocket. The Chief of Police at that city sent five telegrams. Same failed to reach destination, so the body was buried. Later a message was received, and Charles' brothers Caleb and N. R. left at once to bring the body to Sharpshurg, where it will be buried.

CAHINES.—Mitchell Cahines died Friday at Winchester, aged 35 years. He had served as a Deputy U. S. Marshal, as Chief of Police of Winchester, and one term as City Collector. Decoyed From Home and Robbed.

At Lexington, Ky., Thomas E. Oldham, a storekeeper-gauger was called from his home on pretense of mission of mercy Saturday afternoon, knocked in the head and robbed of \$80, his month's salary. Mr. Oldham and his wife had been to the theater and reached their home at about midnight. Soon after their arrival there was a knock on the door. When Mr. Oldham responded, he found a well-dressed man who told him that a man was lying in the street on Broadway, evidently badly hurt and asked Mr. Oldham if he would come with him to see what could be done for the sufferer.

Mr. Oldham cheerfully accompanied the stranger. When they reached Broadway there was no sign of the alleged sufferer and the stranger said that the man must have crawled away and suggested that they look around the corner of Dr. Platt's stable near where they were standing. As they turned the corner of the stable into the darkness the stranger suddenly struck Mr. Oldham two heavy blows with a slingshot, knocking him senseless. When Mr. Oldham recovered consciousness he found that \$80, representing his month's salary, which he had drawn the previous evening, had been taken.

He preached at evening an interesting sermon setting forth the liability and danger of neglecting the salvation proclaimed in the New Testament.

Notice.

Mt. Sterling, Ky., Jan. 10, 1908.

Being convinced that the efficiency of our several clerical forces is impaired by the general prevailing custom of having no regularly appointed hours for opening and closing the various banking institutions represented by us and furthermore believing that our own interests and the interests of our customers would be furthered by a uniform practice by the banks in regard to opening and closing, therefore we the undersigned representatives of the banks of Mt. Sterling agree to open our several banks promptly at 9 o'clock a. m., and close and draw curtains promptly at 3 o'clock p. m., beginning February 1, 1908.

Negro Pressmen.

Mt. Sterling, Ky., Jan. 8, 1908. To the Members of the Negro Press Association of Kentucky, Greetings.—Since this is the year for the election of a president of the U. S. and that the question of the indorsement of a candidate is already being discussed, that the Negro is a part and parcel of this government, and he has already been anticipated as to his choice for president of the U. S., we deem it wise and expedient to come together as pressmen and discuss the prospective candidates and if possible be able to take a decided and intelligent stand. The Negro press should be to the Negro what the White press is to the White man—their mouth piece. We issue a call to the Negro Pressmen in the State to meet in Louisville on Jan. 20, at 1 p. m. We also hope to consider and possibly nominate some one for delegate from the State at Large to the National Convention in Chicago. This meeting is hoped to be of greater concern to our people than any we have ever had. Respectfully yours for the Race,

N. W. Magowan, Pres.
Miss Julia S. Young, Sec.
